

VISSIBLE-FELT LEADERSHIP IN ACTION

COO Visits Orange River Mines

As part of visible felt leadership and employee site engagements, Namdeb Chief Operating Officer (COO), Jurgen Jacob, accompanied by the Orange River Mines (ORM) management team recently visited Daberas Treatment Plant during maintenance shutdown. During the visit, the COO engaged with Namdeb employees and contractor on site regarding safety, and the importance of completing the shutdown safely. He also gave some valuable inputs regarding some of the work being conducted.
