In a gesture of goodwill, aligned to Namdeb's continuous pursuit of social responsibility objectives, Oranjemund Private School donated approximately 3 000 sets of redundant library books to Ambrosius Amuntenya Primary School (AAPS) on Thursday, 5 August 2021 at the handover ceremony held at the AACS school prem-

ises.

Receiving the donation, an excited AAPS Principal, Ms Mara Beukes, accompanied by the school librarian and school prefects, expressed her profound gratitude to OPS for the noble gesture of reaching out to a neighbouring school and donate the books. "It's always very heartwarming when schools reach out to each other and support each other, because ultimately we are serving the same community. I would like to thank OPS and Namdeb for your continuous support."

In her speech, Oranjemund Private School Principal, Ms Connie Willemse, said that the donation was an official platform to launch OPS's Care Campaign, which will embark on a number of projects to assist within the community. "It is indeed a pleasure for OPS to be able to bless AAPS with these books and I am sure that they will be put to good use. Let this be the beginning of better and stronger relationships!"

Ndailikana Paulus, a Social Performance Officer from Namdeb's Positive Legacy team, was in attendance and assisted in officiating the handover ceremony.
