The wellbeing and safety of employees remain top priority and therefore in our quest to encourage and support employees to stay safe and healthy as we continue to fight the COVID-19 pandemic, all Namdeb employees across the business will be receiving wellness care packs as a small gesture to demonstrate Namdeb's value of care.

At a ceremonial handover event, Namdeb Chief Operating Officer (COO), Jurgens Jacob, handed over the packs to a group of Bedrock team from Southern Coastal Mine on Thursday, 5 August 2021. Jurgens thanked the entire Namdeb workforce for their ongoing work in the fight against the pandemic and in ensuring that everyone remains safe and healthy. "This small wellness gesture is a token of gratitude for continuing to observe the COVID-19 protocols and at the same time encourage you to continue to be safe remain vigilant."
