## NAMDEB PARTICIPATES IN 2023 INTER-MINES COMPETITION

Namdeb participated in the 2023 Chamber of Mines Inter-Mines sports games which took place 23-25 November 2023. The team participated in various sports codes which saw them deliver great results. Reinhold Nangolo obtained a silver medal for Golf, the Netball team ended with one win, one draw and four losses, the Veterans soccer team won one match and drew two, whilst the youth soccer won one match, drew another and lost two. The Volleyball team proceeded all the way to the final where they managed to secure the silver medal. We would like to thank each and every player for living up to our STAIRS values and playing their hearts out – the outcome was no doubt an upliftment of our purpose – Mining for Good!
