EMPOWERING EMPLOYEES WITH FINANCIAL LITERACY

Aligned to Namdeb New Journey to Wellbeing's guiding principle of promoting Future - Fit Workplace and workforce, more than 650 employees across the business areas attended financial wellness training sessions from 20 to 24 May 2024 in Oranjemund.

The 5-hour daily sessions, were aimed at empowering employees with financial literacy tips that would enable them to make informed decisions related to financial management and ultimately to improve quality of lives.

The sessions were presented by Ms. Rachel Kalipi, a renowned Chartered Management Accountant and founder of In Conversation with Rachel

Some of the financial content discussed includes re-orientation to personal finance (budget and expenses), managing debts, tricks to pay off mortgage bond quicker, alternative investment options such as government bonds and treasury bills, as well as the importance of estate planning and wills.
