ENQUIRY NO. E116-ND-2025

HEAVY MINERAL SANDS MINING POTENTIAL

REGISTRATION EXTENSION

Namdeb Diamond Corporation (Pty) Ltd hereby invites reputable, qualified and bona fide entities, that meet the below qualifying criteria, to express their interest to evaluate the potential for a Heavy Mineral Sand (“HMS”) mining opportunity within its mining license areas, with the aim of entering into a Joint Venture arrangement with a profit sharing benefit to establish a full-scale HMS mining operation, if viability is confirmed

ENTITY QUALIFYING CRITERIA

- Legally Registered Entities; and
- Entities with 5+ years proven direct experience within the HMS mining Industry.
- Confirmation of Financial capability to execute Phase 1

THE SCOPE OF SERVICES SHALL PRIMARILY CONSIST OF:

- Phase 1 – Conducting a thorough assessment of existing and new samples of the HMS opportunity.
- Phase 2 – Development and exploitation of the HMS opportunity

REGISTRATION

Interested parties may register to participate with Shaneen van Wyk at Namdeb’s Supply Chain Help Desk before or on 19th November 2025. Contact details: Shaneen.vanwyk@namdeb.com OR +264 (63) 238 502.

Tender Enquiry documents will be shared with all entities that meet the above entity qualifying criteria
